

# REDEVELOPEMENT OF DADA SAHEB NA PAGLA APARTMENTS

The site is located near Dada Saheb Na Pagla Jain Derasar, mostly residing Hindu community. The objective was to redevelop the site and the building which was based on the usage and the type of people would like to live here. As the site is very closer to several colleges, one part of the site was to be redeveloped into student housing. The other portion was to be redeveloped as normal residential zone. It was further divided into 2BHK and 3BHK flats so that it can be used as wanted for both the students and families as well.

### Distribution of blocks into users:

The site area was divided into areas with respect to the user's needs and basic sorting of which kind of users will be using the building.

### Functions and Sorting:

The blocks then were divided into functions and area.

### Unit Plan:

One single unit was designed first and then it was multiplied and made fit into the whole building area.
